

PET FIRST AID COURSE

at Blue Ribbon Canine Centre

St. John Ambulance

Did you know that first aid skills can save your pet's life? The **St. John Ambulance** pet first aid course provides the knowledge and skills needed to respond safely and effectively should your pet get sick or injured. You can save your pet's life! You will learn and practice resuscitation techniques like CPR and choking prevention, and also learn how to pet proof your home to avert serious illness or injury.

THE ENGLISH COURSE IS ON OCTOBER 22nd. French course is offered on October 29th.
See Registration form for cost and additional details.

Pet First Aid kits are available for pre-purchase to attendees. (See next page for description and available discount.)
